

The advertisement features a background of a white computer keyboard with large, stylized red and dark grey geometric shapes overlaid. At the top center is the 'GO COLLEN' logo, with 'GO' in red and 'COLLEN' in black. Below it, the text 'Lighting to HDMI Cable' is written in red. The main product, a black 'WCB-1904-17' cable, is shown in two positions: one coiled in the upper middle and another stretched out in the lower right. The stretched-out cable has a USB-A connector on the left, a Lightning connector on the right, and a central black box with '2K' and 'P8 to HDMI Cable' printed on it. The background also includes a faint image of a white smartphone.

GO COLLEN

Lighting to HDMI Cable
